Training for KIBITZ 7 and 9A

REF: MMK-4-20168

1. KIBITZ 9A, presently fully employed, is available for MISSOURI only during the weekend period Saturday afternoon through Sunday evening. He is a former funkier and will need only a few of such weekend training periods. We request that this training be initiated with this weekend beginning 21 <sup>October</sup> 1950.

2. This first weekend [ ] will arrange to pick up KIBITZ 9A near his residence in Ulm and will deliver him to MISSOURI and will make arrangements for 9A's return to his home on Sunday evening. [ ] is further authorized to make further arrangements for subsequent weekends as required.

3. Regarding KIBITZ 7, our anticipation of his post-examination vacation which was to begin on 15 October has been "knocked into a cocked hat" by the Bar Association Examining Board, who postponed the examinations for two weeks so that KIBITZ 7 will not be available for training until immediately after 1 November 1950. We will communicate with you further regarding his schedules.
